

KUNZ GmbH Aircraft Equipment Open House Day 2019

Dear valued customer,

KUNZ would like to take this opportunity to invite you for our Open House Day 2019.

After successfully carrying out such events for several years, KUNZ decided to host another event on **29th of October 2019**.

Without the right equipment and knowledge how to use it, even the smallest incident can cause a downtime of the airport for an unknown time period, resulting in huge profit loss and damage to the airport's image:

We would therefore like to invite you to a presentation of our training facility at KUNZ headquarters in Hahn am see, Germany.

The presentation will include appliance of state-of-the-art KUNZ recovery equipment and the simulation of typical and realistic recovery scenarios.

Meals, accommodation, as well as local transport is provided by KUNZ. Costs for air return tickets to be borne by customer.

Spots are limited, so please let us know if you intend to participate as soon as possible.

In case of questions or confirmation of your attendance please contact us at:

sales@kunz-aircraft.com

KUNZ looks forward to welcome you here at our facility in Hahn am See!
